SILVER TICKET TRIUMPHS.

The APPEAL extends its congratulations to the citizens of Ormsby and announces that the silver ticket has swept the county by a handsome majority. Good morning everybody.

WHEN THE RECKONING COMES.

In another column will be found the translation of a cypher dispatch which shows the way Enoch Strother has been manipulating the State of Nevada, to deliver the silver commonwealth gagged and bound to Wall street.

Years ago this traitor to our interests, was nominated for Governor by the Republican party. People wondered why such an ice burg was selected to lead the ticket and it soon leaked out that his friends had assured the convention that if nominated he would put \$200,000 into the campaign fund. This was the magnet that drew him votes. After the nomination when men came to congratulate him on his nomination he said:

"Gentlemen I will win this fight if I have to spend the salary of the office."

The salary of the office was something of a come down from \$200,000, but the party had to stand it.

When he was assessed \$2,500 he made a wry face and sweat blood when he paid it. As the campaign progressed he became a laughing stock, for his penuriousness and his little scrimping instincts which cropped out everywhere, made his name contemptible all over the sagebrush. He was snowed under by a heavy majority, and returned to private life, while the rest of the ticket was elected.

Since then he has been laying low seeking to be revenged upon the people of Nevada for repudiating him and to-day he stands in the full blaze of public contempt for his trickery to Nevada, the man who is regarded as the purchased tool of Wall street who like Judas Iscariot betrayed us for thirty pieces of silver.

The people of Nevada will settle with him and his followers at an early date.

That Lying Tribune.

The following is a fair example of Tribune lying:

Every rounder in town is provided with Stewart money, and Stewart is managing the fight in person, his headquarters being at barber James' house.

The Davis family are offering all sorts of trades to secure votes against Summerfield. One of them approached a Republican this morning and offered to vote for the Harrison and Reid electors, if said Republican would vote for McGowan.

Senator Stewart was in Virginia City managing his fight there and the Davis family were offering trades on no one. Summerfield was a dead cock in the pit and considered out of the fight by ten o'clock in the morning.

What did a lot of pig headed office holders gain by thrusting Harrison on the people when they were clamoring for Blaine?

Benton's Liniment.

Which has been used in Carson for over twenty-five years, has saved many an ache and pain to those who know it. It is really intended for horses but works with the same magical effect on the human. It is a powerful remedy and for rheumatism is the king of the world. Aches knocked out in short order. No horseman should be without a bottle. n6tf

If your watch is out of order in any way you can get it repaired at Golden's by skilled workmen from the best institutions in Europe. The work turned out in jewelry repairing is always finished in the best style and the assortment of goods has no equal anywhere in Nevada. j4tf.
